

# TIME TO PART

Dương Hồng Kỳ

It's hard to say good - bye. I can't un - der - stand why. The

time we're side by side... seemed just like yes - ter - day. And now it's time to

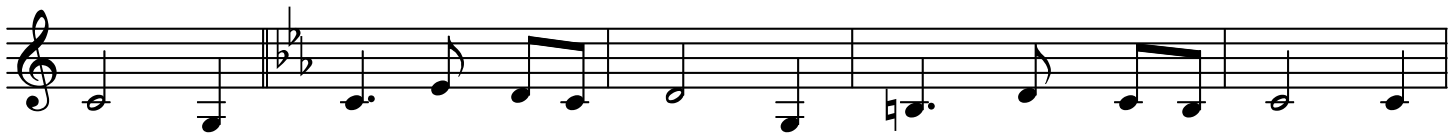

part. Some - thing moved in my heart. What should I write on the

card? So hard, it's just so hard! All the me - mo - ries will

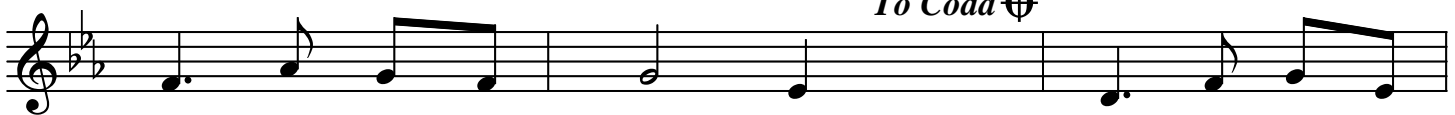

live with me... Trea - sure this mo - ment. And hope we'll meet a -

- gain. The long road lies a - head... Some - times looked real - ly sad... Be
